1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	No
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The university has an open and transparent communication environment that facilitates both formal and informal feedback from students, parents, teachers and alumnae. The internal quality assurance cell (IQAC) has created a structured rating scale based feedback form to be filled by the various stakeholders. Students fill the structured feedback forms at the end of every semester. The family like culture of the campus also facilitates frequent interaction between students and administration through which students share</p>

their feedback and inputs for further improvements . Vidyapith has devised a mechanism through which students share their inputs via letters to Vice Chancellor and Pro Vice Chancellor. Vidyapith has a strong alumnae network. Feedback from alumnae is obtained through structured feedback forms and discussions during their meetings in the campus. Additionally, some prominent alumnae are invited to visit the campus and share their valuable experiences at Banasthali. Teachers fill feedback forms every year regarding syllabi, evaluation and provide their suggestions. Parents also provide feedback on the hostels, campus life and curriculum. Vital ideas are generated during their informal interactions and letters to authorities. The feedback forms obtained are analyzed centrally by the IQAC and inputs are shared with the departments/ hostel wardens/ teachers concerned and administrative offices for subsequent actions to be taken. The Vidyapith is extremely conscious of its quality sustenance and enhancement with respect to its overall development. The feedback mechanism of the university is an important instrument towards this end. Vidyapith has always believed in a participatory approach towards development of the institution and stakeholders feedback is integral part of this approach. The student feedback has helped teachers create suitable learning environment for students. The decisions on various developmental, academic/ curricula related matters are taken in an environment with strong participation and feedback from faculties. Faculties of the university organise and attend faculty development programs, national and international seminars, workshops, invited lectures, orientation programs, refresher courses to develop understanding of emerging trends in global scenario related to curriculum development. The curriculum modification is based on the feedback from faculty members ,external academicians , industry experts and alumnae working in the industry and studying practices of other world class institutions. The constructive feedback from the stakeholders has helped Vidyapith in strengthening its efforts towards the noble cause of developing women leaders in all walks of life with strong character and value base.

2019	Rakesh Yadav	Associate Professor	ICMR grant to attend Molecular Diagnostics Disease Informatics in Health Care at NIRRH, Mumbai.
2018	Nishtha Pareek	Assistant Professor	Award for promotion of Banking education among Girls by BCFTIDE
2018	Harsh Purohit	Assistant Professor	Jury recognition for Digital India 2018 by Coeus
2018	Sujit Deoghoria	Associate Professor	KALA SHREE SAMMAN
2018	Harsh Purohit	Professor	Award for contribution to society (Education) by Simon ToolsPPC
2018	Prashant Raman	Associate Professor	Chair in CRMPEW for Entrepreneurship promotion by State Bank of Bikaner and Jaipur
2018	Richa Chauhan	Assistant Professor	Best paper award (Indian Ethos) by FMS, BanasthaliVidyapith
2018	Surya Pratap Singh	Assistant Professor	Summer Research Fellowship, Jointly by IASc, INSA, and NASI
2018	Akansha Mer	Assistant Professor	Best paper award (Indigenous practices), FMS, Banasthali Vidyapith
2018	Pawandeep K. Bindra	Assistant Professor	Best paper award (Innovative approach in finance), FMS, Banasthali Vidyapith
2018	Ashutosh Pareek	Associate Professor	Young Scientist International travel support Award by DSTSERB
2018	Rashmi Singh Rana	Associate Professor	Best paper award (Legal issues), FMS, Banasthali Vidyapith
2018	Bheshraj Sharma	Assistant Professor	Sanskrit award, Govt. of Rajasthan

2018	Khyati Kochhar	Assistant Professor	Best paper award (women issues in CG), FMS, Banasthali Vidyapith
2018	Kiran Sarna	Professor	Braj Mohan Kala Award
2018	Anita Shou	Assistant Professor	Fellowship for Entrepreneurship Promotion by State Bank of India
2018	Bharati Pandey	Professor	Medal of Merit, Rajasthan State Bharat Scouts Guides, Jaipur
2018	Dolly Jain	Associate Professor	VIKRAM KALIDASA PURUSKAAR, State Government of M.P., Vikram University, Ujjain Kalidasa Sanskrit Academy, Ujjain
2018	Ankit Bhatt	Assistant Professor	Pt. Gokulchand Rav Kala samman by Sabrangsanstha
2018	Nidhi Srivastava	Associate Professor	Excellence Teaching /Research Award 2018, Indian Society of Genetics, Biotechnology Research and Development
2018	Girish Chandra Pandey	Assistant Professor	Young Scientist award for Plant Biotechnology by STSIRI
2018	Nidhi Srivastava	Associate Professor	Prakarti Prerak Award by ISAB, INDIA
2018	Priyanka Singh	Assistant Professor	Fellowship for Entrepreneurship Promotion by State Bank of India
2018	Nidhi Srivastava	Associate Professor	Excellence Teaching /Research Award 2018 by Indian Society Of Genetics, Biotechnology Research and Development (ISGBRD)
2018	Vinita Pandey	Assistant Professor	National Diamond

			achievers award 2018 by Youth world group Bikaner, Rajasthan
2019	Rakesh Yadav	Associate Professor	Sandia Lab grant to attend Workshop on FLL Biorisk Management at Panjab University, Chandigarh
2018	Bharati Pandey	Professor	ChikitsakJyotishSam man, Manoharpur Rajasthan Sanskrit Academy, Jaipur
2018	Ina Shastri	Professor	Bharat Jyoti Award by India International Friendship Society
2018	Hamsavahini Singh	Professor	German Language Professional Scholarship by Ministry of Education, Art and Culture, Vienna, Austria
2018	Abdullah Bin Queyam	Assistant Professor	TEQIPII grant by MHRD
2018	Debajit Chakraborty	Assistant Professor	Top Grade artist by All India Radio
2018	Surabhi Bajpai	Assistant Professor	DST Inspire Faculty Award
2018	Ashutosh Pareek	Assistant Professor	Young Scientist International travel support Award by ICMR
2019	Divya Yadav	Assistant Professor	Sandia Lab grant to attend Workshop on FLL Biorisk Management at Panjab University, Chandigarh

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

There are established system and procedure for maintaining and utilizing physical, academic and support facilities laboratory, library, sports complex, computers, classrooms, etc. Banasthali Vidyapith ensures regular maintenance and upkeep of all infrastructural facilities through complain registering redressal system. The maintenance work is carried out by trained and experienced in house experts as well as outsourced to appropriate outside agencies. The Vidyapith has a strength of over 1400 administrative staff comprising engineers, technicians, office assistants, lab assistants, lab boys, wardens, guards, etc., who assist in efficient functioning of campus, library, sports arena, gymnasium, classrooms, laboratories and ICT infrastructure.

Besides this, Vidyapith has sufficient staff for managerial and supervising duties, custodial staff for building upkeep and cleaning, maintenance staff for performing skilled jobs like plumbing, electricity repairs and backup power system and gardeners for maintaining landscape, maintenance and upkeep plus the secretarial staff for providing clerical support. Furniture and equipment are purchased as per the requirements. The Vidyapith has appointed dedicated team of Senior Technical Assistants and Computer Network Assistants to provide regular support services relating to computer hardware and software. The team also ensures the connectivity of WiFi in hostels and departments, wherever required. The Vidyapith has an Annual Maintenance Contract for its computers, peripherals, equipment, etc. with reliable vendors so that the computer systems and related equipment, biometric attendance system can function smoothly. The staff and students have access to all academic buildings for teaching, learning and research. The timetable committees of different departments explore the possibilities of optimal use of the space and time. For laboratory work classes are divided in batches, for optimum utilization of resources. During the entire academic session, sport activities are carried out on all working days from 6 to 8 AM in morning and 5 to 8 PM in evening. Coaches and trainers of all 23 sports remain available on field in both the sessions to train the students for intramural as well as extramural events. Yoga practice and training is also a routine activity. As per the convenience of students an hour's slot in the Gymnasium is also allotted. The sports arenas are also utilized regularly for hosting district, state, interuniversity and national level tournaments. Central Library and departmental libraries allows students and staff to use library resources i.e. textbooks, reference books, journals, theses, rare books, Gandhian literature as well as eresources and INFLIBNET facility. Library remains open till 9 PM and also on holidays. OPAC software system eases the search for relevant books and issue and return of books. Library staff conducts an orientation program for new students every year for facilitating their access. Computers and internet is also used by students in hostels as well as academic blocks. Staff uses the facility in the academic blocks. Other support services regularly utilized by the students include the 180 bedded hospital, medical shops, Khadi Bhandar, market places and canteens, bus to commute within and outside campus.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

With the objective of inculcating the qualities of leadership, organization, and responsibility in the students, an active Student Council is in place along with a strong representation of students in the academic and administrative bodies/committees. The Class Representative (CR) system is fundamental to student representation as leaders. It allows two/three student to represent each class of students in the University, with regular meetings held to ensure the systems efficiency and effectiveness in putting forward the interests and views of the students. The CRs are elected by the class using democratic selection methods. Monthly CR Meetings are conducted during the semester. CR meetings play a major role to assess teaching, learning and support services provided to the students by the Institution. Faculty program coordinators/deans/heads monitors the functioning and effectiveness of the CR system. Technical/Functional /University Club /Committees elect PMs (Permanent Members)/ GRs (Group Representative), where students organize domain specific events, extracurricular events, competitions and conferences honing their subject expertise skills in addition to their leadership skills.

Club/Committees are platforms that offer a plethora of opportunities to students to give them a voice of their own and shed their inhibitions through an enriching and engaging experience. Club/Committee activities, workshops,

Intra Domain and Inter University competitions enhance the communication skills, team management skills, leadership skills, time management, resource management skills and above all builds confidence in each student. Through the

Club/committee platform, provided by the University, students learn to do practical implementation of the classroom learning. Best practices of each department are transmitted across University to strengthen the student's platforms for holistic development of each student of the University. Hostel management system: There are forty seven hostels that fulfill the residential requirements of all the students. Different hostels have different accommodation capacity. Each hostel has a students' advisory committee of about 20 to 50 students having a representation of each class residing in the hostel as well as that of each wing in the hostel. The team of students works in cohesion with both hostel wardens as well as all hostel residents. They look into the cleanliness of wings and restrooms, discipline related issues and other students related problems. They also take the initiative to motivate the students to keep the hostel and campus clean, save water and electricity, prevent them from wasting food and promote them to plant trees and take care of them. They provide feedback to the wardens about the acceptance of hostel food. In fact, the committee that works on the improvement and changes in hostel menu has 50 students on board, at least one from each hostel. These 50 student representatives bring to discussion the suggestions of all other students regarding food and menu. Here different students work as placement coordinators along with the placement team to ensure smooth functioning of placement activity.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Banasthali fraternity, since the time of inception, has had strong sense of belonging to the institution and even though for years together when no formal Alumni Association existed, Banasthali's daughters including Smt Kamla Beniwal, Smt Sumitra Singh and thousands of others remained associated with the Banasthali family spreading love, inspiring younger ones and contributing all what they could. At the turn of the century, going by the changing times, efforts were made to formalize the alumni association with well maintained records. Annually a group of alumni meets in the campus for a couple of days, visits the upcoming infrastructure and facilities, interact with the faculty and students. The visit of the alumni is not restricted to these two days and

just as a family member they drop into the campus any time, considering it their home. City wise chapters (Ahmedabad, Bangalore, Delhi NCR, Imphal, Jaipur, Lucknow, Mumbai, Patna) of the association also exist where the alumni of Banasthali Vidyapith meet more frequently. The alumni settled in Middle East, UK and USA also hold an annual get together. The alumni base of the university contribute in building its reputation across nation and beyond, which in turn helps in attracting students from different regions within and outside the country. Further they provide a perfect legacy in the corporate sector and other work settings with their knowledge, skills and values. The alumni association is more than just a convenient way of keeping in touch with batchmates. It is serving as a platform that enables our daughters to contribute to their almahater and the society as well. Our alumni have financed scholarships, awards, funding for inviting distinguished academicians and some infrastructure. Alumni from the industry also help bring industry stalwarts to the campus through their networks. Liaisoning with the Career Counselling and Placement Cell, The Alumni Association has provided training to the students for job placements. The conferences, workshops, FDPs organised by Banasthali Vidyapith also get support from members of the association in the form of organizers, trainers, session chairpersons, speakers, etc. They also play a role in enhancing the curriculum by participating in BoS meetings whenever required the one engaged in sports guide the intra and extramural activities. The alumni have also raised funds for local charities and organized blood donation campaigns. Banasthali Vidyapith is the university for women, which has been nurturing women leaders in all walks of life since generations the most recent example being Flt. Lt. Avani Chaturvedi, the first Indian women to fly a fighter jet solo. We take pride not only in our star alumni but also in the ones who due to their strong values have been a pillar of strength to their families and have thus contributed to development of the society. Groomed through the Panchmukhi Shiksha, our 1 lakh strong alumni have been the harbingers of Indian values throughout the country and across the boundaries.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Banasthali Vidyapith has always promoted decentralization and participative management as a form of democratic governance as it believes it would result in creating an ambience favourable for overall growth. This is achieved by encouraging faculty, staff and students to contribute through participation at various levels and forums such as: 1. The Planning and Academic Affairs committee formulates all execution related and operational plans for the institution. This committee comprises all Heads of Departments and senior faculty members. 2. The Vidyapith has a unique assessment, encouragement indexing system for the staff career development BLISS (Banasthali's Liberal Incentive Scheme for Scholars). It is participatory in nature and fully transparent.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

7.3 Institutional distinctiveness: Unique Educational Ideology: Fivefold Education (Panchmukhi Shiksha) Banasthali Vidyapith believes that education is meant for developing an integral and harmonious personality of its students which in turn prepares women for leadership roles in all walks of life. The Panchmukhi Shiksha comprises Physical, Practical, Aesthetic, Moral, and Intellectual components. There is an eternal continuity among these units. Further, the Panchmukhi Shiksha is in consonance with the aim of the Vidyapith to synthesise spiritual values and scientific achievements of the East and the West. The innovative educational model of Banasthali Vidyapith makes its students socially awakened and it also instils a sense of mutual cooperation among them. The educational models prevalent in the contemporary world have focused on either material/physical or spiritual dimension. One aspect has always ignored another that has brought a unidirectional development in student's life. This onedimensional development creates a lopsided personality which results into some disharmony and chaos. Thus, Banasthali Vidyapith has felt that there is a dire need to bring a holistic and harmonious development of students which is an imperative for creating an allround growth and development in society. Vidyapith has introduced a unique educational ideology based on fivefold education or Panchmukhi Shiksha including Physical, Practical, Aesthetic, Moral, and Intellectual. The physical activities at Banasthali Vidyapith include parade, martial art, shooting etcetera. The practical aspect includes sangamary paintings, dyeing etcetera. Similarly, Aesthetic dimension includes music, painting, dance etc. The moral aspect of education connotes the respect for all the religions by means of collective prayers. Finally, Intellectual dimension includes the richness of intellectual and epistemic orders. These elements of Panchmukhi Shiksha create a sense of appreciating the richness of Indian heritage, culture and dynamic attitudes towards life. They also develop historical perspectives and scientific attitudes among students. The aforesaid fivefold education programme which has already experienced the test of time has inevitably dealt with two major aspects of the existence of students' life Vidya and Shiksha. Vidya which is loosely translated as wisdom or knowledge deals with human intellect and aesthetics. It propels the student to strive on to the path of epistemological unbecoming. It makes the students realise the complexes of the inner world or inner culture. It is indeed a model of aesthetico-spiritual realisation which is deeply connected with human values and virtues. And thus it realises the main logos of the university Sa Vidya ya Vimuktya. In addition, shiksha which includes physical, practical and skill based trainings informs student about the growth of science and technology and the changing realities of the external world. This can be seen as sociopragmatic model which is responsible for equipping students with the pragmatic realities to sustain, flourish and develop in a great vying world of today. Thus, the fivefold education includes both the sociopragmatic and aesthetico-spiritual models of human life. These two aspects of human life allow students to grow themselves into balanced and harmonious selves. They have also helped students in receiving national and international recognition in art and culture.
