**16.Multidisciplinary / interdisciplinary**

Yes, the programmes are multi/inter disciplinary and duly mentioned in the prospectus and the website of the university. Banasthali Vidyapith over a period has developed itself into a multidisciplinary institution where different disciplines, departments and faculties intersect and interact with one another. It allows its students with a variety of subject options which they may select to continue with their academic programmes. It has maintained flexibility by integrating Humanities and Science with Science, Technology, Engineering and Mathematics (STEM). The students who opt for STEM as their academic programmes are encouraged to study the courses of Humanities and Social Sciences which improve their creativity, critical thinking, problem solving abilities, teamwork spirit, and communication skills. The Vidyapith fosters the spirit of multi and trans-disciplinary research through which the researchers address some prominent questions of society and try to bring out some plausible solutions. Studies carried out by the students and faculty members of Sociology, Psychology, Economics, Management, Political Science, History, Humanities etc. work together to address the problem of gender disparity and the challenges that the people of different genders experience in their live.

**17.Academic bank of credits (ABC):**

The Vidyapith has implemented most of the guidelines of the NEP 2020 while the ABC implementation is under process.

**18.Skill development:**

The Vidyapith has a special emphasis through its five fold system of education. The component of practical education takes care of the skill development. Apart from this, Vidyapith has Atal Incubation Center to hone the entrepreneurial skills of the girl students. The dedicated centers for Personal Finance, Artificial Intelligence etc. cater to the contemporary needs. Apart from this, regular sessions/workshops/seminars are conducted for Python, Emotional and Social Intelligence, Legal Awareness etc.

**19.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Yes there is adequate emphasis on integration of Indian Knowledge

system (teaching in Indian Language, culture, using online course), for instance Indian ethos and/or traditional practice is an essential component of learning for students of BBA, MBA, LLB Integrated, Music, Design etc. and particularly during the COVID many online courses were initiated. Banasthali Vidyapith has always been focusing upon disseminating Indian culture, knowledge system, history, and Indian intellectual tradition not only through its syllabi and curricula but also by organizing several academic activities which highlight the rich cultural heritage of India. Students when they enter the undergraduate Programme, they compulsorily study Hindi, Selected Writings by great authors where they study the great cultural texts of India namely The Ramayana, The Bhagwat Geeta etc. To preserve and to promote Indian languages and Indian ancient traditional knowledge, Indian arts and Indian culture and tradition, Banasthali Vidyapith has well-established center of learning in the form of Department of Sanskrit, Philosophy and Vedic Studies, Department of Music and Department of History and Indian Culture. They do not only engage students with rich trajectory of Indian traditional knowledge, Indian culture, and Indian arts but they also encourage them to undertake several research projects which must be multidisciplinary and transdisciplinary in nature.

#### **20.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Yes, the programmes have a focus on OBE as well. Banasthali Vidyapith while reviewing its syllabi and curriculum has always focused upon outcome-based education. Each section and unit of the syllabi is designed according to the learning outcome and the course objective. Keeping the outcome-based education in mind, Banasthali has updated its syllabi and curriculum. Thus, the holistic education offered at Banasthali has always been outcome based long before 'Outcome Based Learning' became a buzzword where each part of the educational system is set around outcomes to be evaluated at the end of the educational experience. The Program Educational Objectives (PEOs), Program Specific Outcomes (POs) and Learning (course) Outcomes (LOs) of all programs and courses are defined, articulated, and mapped in alignment with Vidyapith's vision, mission, and the learning requirements of the students.

#### **21.Distance education/online education:**

The entire learning in COVID was successfully carried in online mode without disturbing the academic calendar by even a single day, that marks a significant accomplishment. Further the university has received approval from the UGC to venture into online education. Please note that the Vidyapith does not offer distance education

programmes.

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes(PSOs) and Course Outcomes(COs) of the Programmes offered by the University

Banasthali Vidyapith focuses on community engagement and innovative programs through the philosophy of Panchmukhi Shiksha (physical, aesthetic, practical, moral and intellectual education). The university curriculum is so designed with a set of foundation, vocational and core courses that it not only develops skills to achieve a rewarding career but also nurtures enlightened citizens with strong value-base. Students experience social citizenship roles through unique courses like Indian Ethos, Universal Human Values, Parenthood and Family Relations, Indian Cultural Heritage, Environment Studies, Women in Indian Society. The holistic education offered at Banasthali has always been outcome based long before 'Outcome Based Learning' became a buzzword where each part of the educational system is set around outcomes. The Program Educational Objectives, PSOs and Learning (course) Outcomes of all programs and courses are defined and mapped in alignment with Vidyapith's vision, mission and the learning requirements of the students. The University provides ample opportunity for industrial interactions through trainings and internships and attains close to 100% placements in various technical fields. Banasthali graduates are known the world over for their leadership qualities and have by and large brought radical transformation in their families, organizations and surroundings.

**1.3 - Curriculum Enrichment**
  
**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Human values / moral education is central to the 'five fold education' model of the university. The Vidyapith emphasizes value education through several unique courses, for instance Indian Ethos and Human Quality Development, Parenthood and Family Relations, Indian Cultural Heritage, Universal Human Values etc. Psychology students study Positive Psychology related to values, Vedic Study is offered through certificate courses, Bioethics is a part of curriculum of Life Sciences. Ethics in Research is taught as well as practiced in all disciplines. Management lessons from Gita, Kautilya's Arthashastra and other scriptures are a part of curriculum of Management Studies. Vidyapith is conscious of its role as an educational institution for women and preparing women to assume leadership roles in all walks of life. Groomed through Panchmukhi Shiksha, girls at Vidyapith not only become intellectually sound but also develop creativity by learning music/ craft/fine arts. They are skilful because of the practical education component and are courageous due to the coaching in physical education (martial arts/ shooting/yoga/ swimming/ horse riding). Cleanliness, environmental protection, plantation and conservation of energy are built in features of the lifestyle in the campus. Students develop love for nature through activities under NSS and Banasthali Sewa Dal

## 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

Banasthali Vidyapith, the cradle of many innovative ideas in women's education, has evolved and successfully implemented a unique fivefold educational ideology, Panchmukhi Shiksha. This ideology comprises physical, practical, aesthetic, intellectual, and moral aspects of education and advocates an optimum blend of these components for the all-round development of students.

As the student has to opt among these activities, the learning and assessment of the students are not restricted to the academic sphere, and the innovative approach naturally leads to a situation where a student is neither a designated 'advanced learner' nor a 'slow learner', rather some students may require different pedagogy in teaching and evaluation owing to their uniqueness. In academics, the performance of students is monitored through a balanced, equally proportionate continuous and end-semester assessment at regular pre-determined intervals which enables effective implementation of the remedial measures. The institution has a strong emphasis on internal assessment which apart from regular classroom interaction helps the faculty in identifying slow as well as advanced learners. There are projects and advanced certification programmes to sharpen the skill set of the students. Additionally, they are also provided with the alternative to study some courses using online portals such as Coursera, edX, and

**2.3 - Teaching- Learning Process**

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

Banasthali Vidyapith is known in the world for its unique educational ideological, Panchmukhi Shiksha, Five-fold Education. In addition to their prescribed courses, students have to opt for activities included in the Five-fold education. The educational programme is designed to promote the development of a balanced and harmonious personality of students and learning is flexible and interesting with emphasis on learning by doing. Vidyapith has the distinction of venturing to try out a learner centric curricular programme of education. It is a general trend to consider teaching, research and outreach as the three pillars of higher education, Banasthali gives equal emphasis to the fourth pillar ,i.e., education for life/character building (value education), cultivation and education of the self and the being. Interaction sessions on philosophical and religious texts are conducted in the 'Shastrarth' mode. The Vidyapith has adopted the CBCS in all of its educational offerings. Identifying and recommending online course material from globally recognized portals such as Coursera, edX, NPTEL, etc. Furthermore, lot of emphasis is being provided on taking up courses of choice through open electives, reading electives and disciplinary electives. Implementation of innovative teaching learning practices at the Vidyapith has made the activity effective and exciting

**2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year**

At Banasthali Vidyapith, our unwavering commitment to delivering an exceptional educational experience is underscored by our extensive use of state-of-the-art Information and Communication Technology (ICT) tools, which enrich our teaching and learning environment. Our educators utilize a wide array of ICT tools, including BV e-resources, e-library, and e-book platforms. Access to prestigious digital libraries such as Inflibnet, which provides resources from renowned publishers like IEEE, ACM, Springer, and SIAM Journals, is integral to our approach. Additionally, we leverage tools such as India Stats, E-CRM, and educational platforms like [www.Cisconetacad.com](http://www.Cisconetacad.com).

We also employ specialized databases such as MitoSatPlant, designed for the mitochondrial microsatellites of Viridiplantae, and utilize the NEO Personality Inventory, multimedia labs, CNS Behavioral study software, SAS software, and Educloud. Audio-visual aids, including PowerPoint presentations and scientific documentaries, enhance the learning experience. Our students have access to a plethora of online resources, including YouTube, PG Pathshala, and other digital content. Esteemed online learning platforms such as Coursera, edX, NPTEL, MOOCs, Swayam, and our BV Intranet further enrich their educational journey. Additionally, software like Atlas-Ti, ANSYS, ASPEN, and AFT FATHOM, as well as design and filmmaking tools such as Adobe Photoshop, Illustrator, Premiere, After Effects, Flash Pro, Audition, and Dreamweaver, alongside Autodesk 3D Max, 3D Maya, AutoCAD, Corel Draw, Aarahne Software, Tex CAD, and Lectra, support advanced learning and creative exploration.

2.5.3 - IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

Banasthali Vidyapith has established robust examination processes over the years, facilitated by our largely automated Examination Section. These processes ensure strict adherence to the academic schedule for the conduct of examinations and the timely declaration of results. Here's how we have improved our examination management system:

**Centralized Examinations:** All written examinations are conducted in a time-bound manner, following the academic calendar. By holding examinations for all departments simultaneously, we optimize the use of university resources, including physical

infrastructure, manpower, and vigilance.

**Automation of Examination System:** We have progressively automated our examination system. This includes online student registration, issuance of hall tickets, and result processing, which encompasses both grading and percentage-based evaluations. Additionally, admissions for many courses are managed through an automated all-India entrance examination.

**Evaluation of Student Performance:** Student performance is monitored through a balanced, proportionate system of continuous (40%) and end-semester (60%) assessments at regular, predetermined intervals. This allows for the timely implementation of remedial measures.

**Online Courses and Credits:** Students at the Vidyapith now have the option to fulfill up to 20% of their course requirements through online courses offered by platforms like Coursera, edX, SWAYAM, and NPTEL.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents

Banasthali Vidyapith has embraced Outcome-Based Education (OBE) principles, focusing on clearly defined learning outcomes long before it became a common educational practice. Our educational strategy involves setting specific goals that inform every aspect of the learning journey, culminating in their assessment at the program's end.

The Programme Educational Objectives (PEOs), Programme Specific Outcomes (POs), and Course Outcomes (COs) for all programs and courses are meticulously defined, articulated, and aligned with the Vidyapith's vision, mission, and students' learning needs. These outcomes are developed collaboratively, incorporating insights from external experts to ensure relevance and comprehensiveness.

Each program's PEOs and POs, along with the COs for each course, are detailed in the syllabus, which serves as a reference for both faculty members and students. Syllabi are available in both hard copy at the departmental offices and library and in soft copy on the university's website. Additionally, these outcomes are discussed in tutorial sessions by course coordinators, ensuring that students are fully informed of the expectations and objectives of their courses.

Upload relevant supporting document	<a href="#">View File</a>

2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year

At Banasthali Vidyapith, the attainment of Course Outcomes (COs) is rigorously assessed through a blend of continuous assessments and semester-end examinations, with CO achievement quantified as 40% from continuous assessments and 60% from semester-end examinations. We categorize CO achievement levels as Level 1 (where more than 60% of students in a course score above 40%), Level 2 (70% of students score above 40%), and Level 3 (less than 75% of students score above 40%).

The assessment of Programme Outcomes (POs) involves a comprehensive analysis of the integrated knowledge, skills, and values demonstrated by students across their coursework. Our evaluation methods, tailored to effectively measure these outcomes, include continuous assessments, periodic exams, end-of-semester exams, and various assignments that gauge students' knowledge, skills, understanding, and creativity.

The overall Attainment of PO is calculated as follows:

- Direct Assessment (80%) and Indirect Assessment (20%) weightage.
- Direct Assessment includes the average of average aggregate

marks obtained by students in CA and ESA and the percentage of students placed in higher education and profession out of the total number of students

• Indirect Assessment includes the average of Student Exit Survey, Teacher Feedback, Parents Feedback, Alumnae Feedback and Employer Feedback

**3.6 - Extension Activities**

3.6.1 - Extension activities in the neighbourhood community in terms of impact and sensitising students to social issues and holistic development during the year

Banasthali Vidyapith has been playing an active role in rural development for more than eight decades. Approximately 100 activities like Dandi Yatra, 100 Days of Yoga, Har Ghar Tiranaga, Partition Horror Remembrance Day, Swachhata Hi Sewa, PLOG Run, Rashtriya Ekta Diwas, Ajadi Ka Amrit Mahotsav, Constitution-day, Bhartiya Bhasha Diwas, Har Ghar Dhyan, Fit India, Ek Bharat-Shresth Bharat, National Youth Festival, Yuva Sangam etc were organized by NSS and BSD units.

Furthermore, exhibiting sensitivity towards its rural neighborhood, the Vidyapith is the first to establish Krishi Vigyan Kendra in 1992 under the flagship scheme of Ministry of Agriculture. KVK serves the farmers of the entire district.

Banasthali Vidyapith has a khadi spinning, weaving and garment manufacturing unit which trains and employs rural women through which many households in the rural vicinity have benefitted. The Vidyapith also established a 180-bedded hospital in 1976, "Apaji

Aarogya Mandir", caters to the medical needs of the campus and adjoining villages which also serves as a laboratory for many students.

Radio Banasthali 90.4 FM, entirely run by students which broadcasts programmes on public health, nutrition, child rearing, farming, livestock care and many more covering a population of around 10 lakhs in the 45km radius.

Annually a group of alumni meets in the campus for a couple of days, visits the upcoming infrastructure and facilities, interact

with the faculty and students. The visit of the alumni is not restricted to these two days and just as a family member they drop into the campus any time, considering it their home. City wise chapters (Ahmedabad, Bangalore, Delhi NCR, Imphal, Jaipur, Lucknow, Mumbai, Patna) of the association also exist where the alumni of Banasthali Vidyapith meet more frequently. The alumni settled in Middle East, UK and USA also hold an annual get together.

Our alumni have financed scholarships, awards, funding for inviting distinguished academicians and some infrastructure. Alumni from the industry also help bring industry stalwarts to the campus through their networks. Liaisoning with the Career Counselling and Placement Cell, The Alumni Association has provided training to the students for job placements. Alumni also play a role in enhancing the curriculum by participating in BoS meetings whenever required the one engaged in sports guide the intra and extramural activities. The alumni have also raised funds for local charities and organized blood donation campaigns.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance

The 'Banasthali story' has no parallel across the globe. It originated in only of its kind situation when a father lost his promising daughter before its hour and decided to train other girls the same way. Thus, Banasthali owes its existence not to an educationist or a social reformer or a philanthropist, but to a father. Hence love, eternal love, has been the fountain head of all the thinking and the motivating force of all the actions. The founders set a tradition of governing the university like a family

and this concept has remained central to its highly effective leadership.

The founders believed that education should develop a balanced and harmonious personality. To this end, they evolved a highly innovative and distinctive educational ideology of Panchmukhi Shiksha comprising physical, practical, aesthetic, intellectual and moral education.

As a result, today Vidyapith on the one hand offers world-class undergraduate and postgraduate programmes in a vast variety of disciplines and at the same time inculcates amongst students the essential values and ideals of Indian culture and Indian way of life so that Banasthali graduates come out as enlightened citizens with a strong value base reflective of the spiritual heritage and the scientific achievements of the East and the West.

The top leadership have always had a profound understanding of the essence of Vidyapiths' educational ideology and have been visionary enough to adapt its form with changing times.

6.1.2 - The effective leadership is reflected in various institutional practices such as decentralization and participative management

Banasthali Vidyapith has been committed towards becoming an institution of excellence in women and higher education that continually responds to changing social realities through the development and application of knowledge, towards creating a centered, ecologically sustainable and just society that promotes and protects dignity, equality, social justice and human rights of women.

1. Academic Structure: The Vice-Chancellor is the Chief Executive of the Vidyapith. The academic structure of the Institute consists of Deans of faculty, and Heads of departments. While the Academic Council functions at the Institute level on the principle of the collective decision-making process, the Deans and heads, along with the faculty members, are empowered to deal with academic matters at their levels.\

2. Statutory Bodies: i. The Executive Council is the apex body, which plays the pivotal role of laying down policies, both

academic and governance.

ii. Academic Council: The Academic Council deliberates on matters of an academic nature and steers Vidyapith to maintain academic standards of excellence. The Council approves the academic programs of all departments and provides directions for future academic growth and development.

iii. Finance Committee: The Finance Committee supports and supervises the raising of funds for Vidyapith's development and functioning; and also facilitates and monitors finances to ensure transparent and accountable governance.

iv. Research Council: The Research Council (RC) provides direction and guidance to Vidyapith towards creating an enabling environment for research and sharing; and to position Banasthali as an academic leader.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic plan is effectively deployed

The Vidyapith, setting a fine example of transparency, has all its Annual Reports since 1935 available in bound volumes which have writings of top leadership for the benefit of one and all. Numerous writings of Vidyapiths' Chancellors and Vice-Chancellors alongwith their speeches as reported in the university's Newsletter also elaborate short-term development plans and strategies. The Vidyapith has a culture where the Vice-Chancellor makes a presentation in beginning and end of every academic session to review the year gone by, but, importantly, setting the tone for the subsequent years.

In addition, Vidyapith has adopted a policy of thorough brainstorming to develop the perspective/strategic plan for the next five/ten years. The Governing Bodies further deliberate extensively on these to give these ideas a more concrete shape. BLISS manual is an example of this process which rather succinctly articulates the expectations from every faculty and how best they can define their roles to optimize their impact on the institution as per their interests. In addition, every faculty/department also makes its perspective/strategic plan. Budget preparation is not

merely an annual exercise. Vidyapith also prepares broad budget estimates for the next five years.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Vidyapith has a clearly defined organizational hierarchy and structure to support decision-making processes that are clear and consistent with its purposes and support effective decision-making. The organizational structure lends itself to sustaining institutional capacity and educational effectiveness.

Banasthali's supreme body is the General Council which acts as custodian of Vidyapith's values and ethos. It has provisions for Founding members, Life members and Honorary members representing science, literature, education, art and industry.

The Executive functions of the university are discharged by the Executive Council. Vidyapith's authorities, top executive functionaries, Deans, teachers and Government representatives are its members.

The Vidyapith has a provision of the Finance Committee to prepare a budget and formulate policies relating to finances for consideration by the Executive Council

All academic functions are the responsibility of the Academic Council. The course curriculum is prepared by respective Boards of Studies which after ratification by relevant faculty are placed before the Academic Council which also formulates all other general academic policies.

Banasthali is well known for its utmost honesty, integrity and transparency and no untoward instance has ever been reported of any financial, academic and administrative irregularity.

Functions of various bodies and procedures for recruitment, service rules, promotion policies and grievance redressal mechanisms are detailed in Academic and Administrative Bye-Laws. Vidyapith is a law-abiding institution and observes these bylaws in letter and spirit.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has a performance appraisal system, promotional avenues and effective welfare measures for teaching and non-teaching staff

The appraisal of staff at Banasthali Vidyapith is based on innovative and liberal performance appraisal system-BLISS with a view to:

1. Allow teaching staff to design their own work-profile as per their interests and aptitude;
2. rationalize and improve the compensation;
3. bring in efficiency and accountability.

The criteria for judgment of the appraisal for teaching staff is based upon measures like teaching, research, departmental and institutional responsibilities and judged by quality of research publications, self/peer review for overall performance and students' feedback.

Teachers carry out research and other academic activities and take active part as 'responsible corporate citizen'. This is significant for an institution like Banasthali who emphasizes on value inculcation through comprehensive educational programmes and

active participation towards maintaining and enhancing campus ethos, which is indeed a significant contribution towards the university. The teaching responsibilities varies between 50-80% of the overall responsibilities. Teaching evaluation is based on students' feedback.

The research work comprises of 5-50% of one's overall commitment and can be achieved through various parameters like publications in quality journals/books/conference proceedings, participation/organization of Conferences/Symposia, research supervision, research awards and distinctions and mobilizing research funds.

Departmental responsibilities include the contribution of Deans/Heads (5-30% credit) and also faculty members (5-15% credit) who are part of various departmental committees. Deans/Heads are evaluated as per the feedback provided by the students and colleagues.

The overall performance is translated into annual increments and BLISS performance of preceding years is taken into account for promotions.

### 6.4 - Financial Management and Resource Mobilization

#### 6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

The Vidyapith always looks out for government schemes which are aligned to its development plans and pursues them proactively. For instance, the DST had set up a Centre for Mathematical Sciences(CMS) and Centre for Basic Sciences (CURIE) and Centre for Artificial Intelligence (CURIE-AI) with substantial funding to good effect. Banasthali was one of the first institutions identified by the NITI Aayog for setting up Atal Incubation Centre.

Banasthali also engages aggressively with big corporates and donors. For instance, many of its new initiatives such as Law School and School of Automation are supported by substantial philanthropic support.

Banasthali utilizes all its grants and public support promptly and exactly for the purposes for which it was given. Vidyapith has a track record of no grant ever remaining unutilized and Utilization Certificates and other documents are always submitted to the funding agency in a timely manner.

Fee receipts and other resources are planned to be utilized rather judiciously by the Executive Council on the advise of the Finance Committee. The Executive Council/ Finance Committee and the leadership of the Vidyapith also ensures legal compliances and strict adherence to the Rules and Regulations of the university.

#### 6.4.4 - Institution conducts internal and external financial audits regularly

Banasthali Vidyapith, setting extremely high standards of financial transparency has audited accounts available in bound volumes since its inception in 1935. Banasthali emphatically reiterates that it has carried out internal and external audits promptly with no serious financial irregularity ever reported.

Banasthali's internal auditors and statutory auditors conduct quarterly and half-yearly audits and submit their detailed reports so that whatever observations are made by them are attended to immediately so that the issue is completely rectified before the end of the financial year.

Vidyapith's Balance Sheet and Income-Expenditure Statements have attained such stability that Banasthali obtained a completely satisfactory report from its statutory auditors. It is worth mentioning that CARE has rated Banasthali Vidyapith an "A+" rating indicating a strong financial position and transparency.

The auditors also guide the university in taxation matters and various legal compliances. There has been no occasion of statutory non-compliance even in very non-significant matters.

The regulatory bodies also laud Vidyapith's efforts as it always provides Utilization Certificates and other documents accurately and promptly.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals

Banasthali's IQAC since its inception has led to a massive growth in offerings and enrolment, vast improvement in the infrastructure, exponential growth in the research profile and better accreditation, rankings, and visibility.

Major initiatives taken during the year 2022-23:

1. The Vidyapith has continued its best practice of promotion of entrepreneurship amongst women. For this relevant activities in department level as well as at university level were conducted throughout the year. There were quality programmes conducted for women incubators. The programmes like E-Cell Fest were conducted.
2. The Academic Quality Assurance Cell which was constituted in the previous academic calendar to improve the quality of online teaching and learning, continued its activities and successfully ensured high level of online learning for students. The university resumed in-person teaching and the cell contributed to ensure the good quality of question papers and hand-outs.
3. The IQAC continued to improve research output through nurturing the research culture amongst faculty members, research scholars and even students of graduate and undergraduate courses. The number of publications in Scopus, ABDC, UGC CARE etc. went up significantly in the post-covid year.
4. The curriculum of various courses of the Vidyapith was

revised considering the contemporary developments, digital push and guidelines of statutory bodies.

**6.5.3 - Incremental improvements made for the preceding during the year with regard to quality (in case of first cycle) Post accreditation quality initiatives(second and subsequent cycles)**

**Post re-Accreditation (March 2020), Banasthali has witnessed various improvements and were mentioned in AQAR 2020-21 as well as in AQAR 2021-22. The following improvements were made during the year 2022-23**

1. Significant efforts were made in line of visionary National Education Policy (NEP) 2020.
2. This year again, Vidyapith ensured that there was no loss of teaching days. The admissions for the academic year were completed on time and classes started in July itself.
3. The Vidyapith capitalized on the changes that became part of academic system during past few years and continued to work on its five-fold education as the classes resumed in physical mode.
4. The number of research papers in indexed journals have gone up, reflecting higher research output. This was possible to continued emphasize on thrust areas of research (identified

by each department/faculty over the past few years).

5. Higher emphasis on Incubation and Entrepreneurship promotion amongst women. Various programmes on training women entrepreneurs were conducted in collaboration with government and corporate.
6. The upgradation of hostel infrastructure and renovation of other infrastructure was undertaken.

The above all efforts were reflected improvements in the national and international rankings like Times Higher Education, NIRF, India Today etc.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

#### 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Banasthali originated in only of its kind situation when a father lost his promising daughter before its hour and decided to train other girls the same way. Therefore, Banasthali is truly a university for women and not a carbon copy of any other university where only women are enrolled. It is a women's university in terms of its choices of the programmes, ethos of the campus and more generally the way it perceives education. Special needs and strengths of women are always kept in mind. Naturally, the university provides for a vast number of facilities specific to women including safety, security, counselling and common room facilities. Safety and Security: The campus has a very robust system for the safety and security of girls. Safety, security and counselling of girls are its prime concerns reflected as under: The campus has 8-10' boundary wall with barbed wires and has very tight round-the-clock security with security guards deployed at different places. Entry into the campus is highly restricted with only authorized guests/ visitors and upto 4 persons as indicated in students form are allowed to enter after a thorough verification. Ragging is strictly prohibited in the campus.

Banasthali Vidyapith since its inception has been sensitive towards nature and environment. Vidyapith is located in a pastoral setting and it has a green campus with lawns, well maintained gardens, sidewalks and green belts. The campus is strictly 'No Smoking' and designates smoking a punishable 'Major misconduct' in byelaws. The university has lately banned the use of plastic bottle, cups and glasses. Further, Vidyapith promotes e-governance and has automated most functions. Solid waste management: Banasthali Vidyapith over the years has developed the following systems and procedures for solid waste management: Solid waste management in the university is managed by a central unit. This unit is facilitated by a number of workers who help in maintaining solid waste management. Liquid Waste Management: The Vidyapith had set up a Sewage Treatment Plant (STP) way back in 2006 that treats sewage, and the treated water is used for gardening and flushing.

Bio-hazardous waste products are disposed by following the guidelines mentioned by regulating bodies. E-waste: The university has been following the policy that most computers, laptops and other electronic goods are procured in buy-back mode and as a result the old machines are invariably taken back by the vendor leaving no e-waste

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

Banasthali Vidyapith Since its inception has been focusing on providing value-based education through its unique and time-tested fivefold educational ideology comprising physical, practical, aesthetic, intellectual and above all moral aspects. These aspects do not only nurture the moral and value base of students, but they also make them familiar with constitutional values, rights, duties, and responsibilities. Further, they are formal components to cater to physical, practical, aesthetic, and intellectual education but, the Vidyapith believes that value inculcation and character building are not possible within the confines of a classroom. To this end Vidyapith has a rich tradition of celebrating many cultural and national festivals including birth/death anniversary of great Indian personalities so that the students can derive inspiration from them. The entire academic calendar is full of such events adding so much fervour to the campus life besides having immense educational value. Month-wise break-up of such events is as follows:

August: Independence Day, Shaheed Diwas, Ganesh Chaturthi, Janmasthan, Tulsi Jayanti. October: Gandhi Jayanti, Ramanavmi, Dussehra, Deepawali, Banasthali's co-founder Padma Shri Smt. ## 7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

**Title: Comprehensive Five-fold Educational Ideology for Holistic Development.**

Banasthali Vidyapith, established in 1935, is the world's largest residential university for women, doing pioneer work in its field for more than eight decades. The Vidyapith believes that education is meant for developing an integral and harmonious personality of its students, in the context of synthesis of spiritual values and scientific achievements of the East and the West, to nurture enlightened women leaders in all walks of life with strong value-base. To achieve this, the Vidyapith evolved very innovative and highly effective educational ideology, Panchmukhi Shiksha (fivefold education), comprising of Physical, Practical, Aesthetic, Intellectual and Moral aspects. This fivefold education has nurtured many firsts like Smt. Meira Kumar, the first lady Speaker of Lok Sabha did her schooling from Banasthali. Similarly, the first and only female Speaker of Rajasthan Assembly, Smt. Sumitra Singh completed her entire education from Banasthali etc. To effectively implement its innovative Five-fold educational ideology the Vidyapith had to carry out numerous activities with no additional fee, such as flying and horse-riding having huge financial implications.

## 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

**Title: Preservation and Dissemination of Indian Culture and Heritage**

Banasthali Vidyapith since its inception has been focusing upon the enrichment, preservation and dissemination of Indian Culture that is characterized by its ethos and heritage that defines the entire existence of the Indian tradition. Vidyapith has germinated out of its strong foundation in the unfathomable yet illuminating cusp of Indian culture, tradition, heritage and ethos. Culture connotes the meaning of growth, development, education,

enrichment of the self. The enrichment and education of self is guided by the complex intellectual tradition, history of knowledge and the greatchain of being. Indian culture is therefore seen as a continuous and cumulative systems of thoughts which have emerged through the philosophical, intellectual, cultural and linguistic traditions. The tradition of knowledge that defines the Indian culture begins to emerge from the pre-vedic era to the present time where one can find a seamless continuity between the vedic philosophy to the complexes of scientific rationality. Banasthali Vidyapith rests upon this philosophy of integrating the tradition with modernity and the integration of the classical and the antiquity with the postmodern. it also brings harmony between the physical and the spiritual, material and the metaphysical. Thus, Vidyapith has been striving towards preserving Indian culture and heritage. However, the tide of time has brought some significant turns and changes onto the surface of the world but Vidyapith has been striving towards maintaining ethos and ethics of Indian Culture against such tides of worldly materiality.

### 7.3.2 - Plan of action for the next academic year

Banasthali Vidyapith is keen to extend quality higher education to more and more women of the country and for that it is committed to work upon its academic, research, human resource, infrastructure, teaching learning resources so that it may achieve its vision and mission. Vidyapith will work upon its curriculum, structure, syllabus and several other components of academics so that it may enrich the academic and intellectual life of its students. Vidyapith will foster multidisciplinary research where the focus may also be laid upon inculcating conceptual understanding, creativity and critical thinking among researchers. It may also enliven them to understand and respect the ethos of Indian culture and traditions and hence the students may contribute significantly in the making of the nation. Further, Banasthali Vidyapith will continue to nurture the spirit of multilingualism, ethics, human and constitutional values among students, scholars and researchers. In addition to academic activities, Banasthali will also continue to enrich and strengthen its research outcome so that the intellectual complexes can further be enriched, and the larger taxonomy of knowledge is further multiplied. Furthermore, Banasthali will thrust upon bringing more startups which can produce certain goods, objects, and ideas with social relevance and can be very much instrumental in shaping and facilitating the life of the people in society. Vidyapith will further strive towards developing an entrepreneur ecosystem and translational research. Infrastructure development is vital to an organization and

Banasthali Vidyapith will continue to strengthen its infrastructure not only in physical form but also in some intangible realities.
